

Certificate

of Membership

THIS CERTIFICATE RECOGNISES

Plane Talking Products Limited

AS A VALUED MEMBER OF THE AVIATION SUSTAINABILITY FORUM (ASF)

The ASF mission is to build collaboration across the aviation cabin waste supply chain to identify, pilot and validate solutions that result in waste reduction, improved waste recovery & circularity and which build the case for regulation change that results in the removal of the requirement for cabin waste incineration and landfill.

The Member named on this Certificate has provided membership funding to the ASF of USD 10,000 to support the delivery of ASF Project 1.

The Member's company name will be entered into the companies register of Members under Aviation Sustainability Forum company number 202202901K, a Company Limited by Guarantee and registered in Singapore.

Date: 8th May 2023
